PATIENT CENTERED CARE FOR THE INJURED – RIGHT HERE IN NEW HAVEN!

Patient care is a delicate balance between art and science. We've developed a uniquely focused approach in assisting patients injured in an accident or work-related incident, even if they are uninsured or under insured.

WE'LL GLADLY TREAT YOUR CLIENTS UNDER YOUR LETTER OF PROTECTION!

- Convenient location, right on Sherman Avenue, across from St. Raphael's with off-street parking
- **We help remove the burden associated with medical legal cases.** We've managed PI medical care for decades and have dedicated medical-legal contact staff. No need to coach a doctor as to what's needed in managing the time-consuming requirements associated with personal injury patients.
- Practitioners accustomed to, and trained for, expert file reviews; depositions; and courtroom testimony.
- Coordinated injury management with an understanding of documentation protocols as it relates to medical legal treatment including Impairment Rating using the AMA Impairment Guides.
- Experienced providers using evidence-based protocols on traumatically injured patients
- Access to the best co-treating specialties such as chiropractic, neurology, orthopedics, physical therapy, diagnostic and Interventional Radiology
- NO HEALTH INSURANCE COVERAGE NECESSARY!
- Staff and practitioners trained to effectively manage the litigation concerns of injured patients.
- Rapid notes/report turnaround, usually within 24 hours.
- Latest technology for a paperless office infrastructure and document management. Records available at the push of a button.
- Usual, Customary and Reasonable fees

Call us or Fax your client's deck sheet today... we'll take care of the rest!
